

Tardis Archaeology
Heritage Advisors

Fieldwork Assistant

This role is suited to an applicant with a minimum of 2 years' experience in commercial archaeology, who has carried out excavation, survey and site recording under the *Aboriginal Heritage Act 2006* and the *Heritage Act 2017*. Preference will be given to applicants who can demonstrate a working knowledge of these Acts, however demonstrated ability under interstate Acts will also be regarded highly.

You will be working within a collaborative team environment and will be expected to undertake and supervise field survey and archaeological excavations. On occasion, rural or interstate projects may require periods away from home.

The successful applicants will be assisting the Fieldwork Supervisor on archaeological complex and salvage excavations predominantly within Victoria.

Qualifications & Experience:

- Minimum B.A. Hons in Archaeology or equivalent. Must include Australian indigenous archaeology;
- Construction Industry White Card;
- Manual Driver's License; and
- Ideally candidates will also have current First Aid & CPR.
